The Flavour Burst team have created a range of 'make it yourself' mixes that are full of flavour and affordable.

Why should kids have all the fun, adults love milkshakes and syrups too! Try the **Gourmet Shake** and **Mock Shake Mixes** (less than 5g of sugar per serve), in sophisticated flavours you will love like Banoffee Pie, Chocolate Macadamia and Salted Caramel. And use a **Gourmet Syrup** (less than 1g of sugar per serve) to jazz up your favourite dessert or icecream, swirl into yoghurt or coffee and drizzle over pancakes. In a huge range of interesting flavours such as Irish Dream, Spiced Apple and Hazelnut Toffee – which will you try first?

The chef in your house will love the super value **Essences** and **Colours**. The Essences are very concentrated with authentic rich taste and come in wide range of flavours like Raspberry, Cherry and Banana to name a few. The Colours are vivid.

When you want to give the kids a treat, it doesn't have to mean over stretching the budget or choosing unhealthy options. In fact you don't even have to leave home! Order online and we'll ship straight to your door.
